The Cast

The Play

The action takes place in the drawing room of Creeching Cheyney, the ancestral home of Desmond Cheyney.

The Budgett family are called to hear the will of their uncle Desmond, who died in Australia. Things are not all that they appear to be, however and a great deception unfolds. The intervention of a passing circus and the ambitions of a film producer add to the pressures on the family for whom Christmas will never be the same.

There will be one interval of 20 minutes
