# Party piece

**A Comedy in  
two Acts  
by Richard  
Harris**

Michael and Roma are preparing for their Fancy Dress/BBQ/Housewarming – to be held in their back garden, which adjoins that of old Mrs Hinson next door. The evening should be a really lively

affair but it is rather dampened by the distinct lack of guests, a marauding zimmer frame, squabbling neighbours, frozen chops and cheap charcoal....Hey ho! Enjoy!

There will be an Interval of 20 minutes between Acts
